

## **YI-HSING LIN, Ph.D.**

**Engineer**

### **ITRI Central Region Campus**

No.2, Wenxian Rd., Nantou City, Nantou County 540, Taiwan R.O.C.

Tel: +886-49-2345293

Fax: +886-49-2317909

Email: YiHsingLin@itri.org.tw

### **BIOGRAPHY**

Yi-Hsing Lin received her B.S. (2007) in environmental engineering from National Ilan University and M.S. (2009) in environmental engineering from National Chung Hsing University. She received her Ph.D. (2016) in environmental engineering from National Cheng Kung University. She started her professional career in the School of Ecology and Resource Engineering at Wuyi University, China in August 2016. She did various researches in the fields of wastewater treatment, photocatalytic conversion of VOCs, and resource reuse during her tenure at Wuyi University, China. She accepted an engineer position in Central Region Campus, Industrial Technology Research Institute (ITRI) in September 2017. She has broadened her research interests to livestock wastewater treatment, H<sub>2</sub>S removal from biogas, and CO<sub>2</sub> mitigation.
